

Offer your patients:  
Online Appointments

We invite you to register your interest for an online appointments system for your Practice at [www.docappointments.com.au](http://www.docappointments.com.au)

Currently, we are able to integrate with Best Practice and PracSoft practice management software.

Pay a one-off installation fee of \$400 + GST to setup on your server. Then a monthly licence fee of \$185 + GST.

- ✓ **FREE for your patients to make or cancel appointments 24 hrs a day.**
- ✓ **Appointments are made in 'real time' and appear automatically into your practice management software – no need to add them manually!**
- ✓ **Automatic email confirmation sent to your patients.**
- ✓ **FREE reminders – one day and one hour before appointment on iPhone and Android app's.**
- ✓ **FREE listing on our website directory, and iPhone / Android app's.**
- ✓ **No contract or hidden fees. ✓ No training required for your staff.**
- ✓ **Offer unlimited appointments for ALL Doctors at your Practice.**
- ✓ **No cost per appointment – a monthly licence fee, per Practice.**
